Working within his father's real estate agency since the age of 16, Jonathan has done most roles within a real estate office including pushing a mop and broom around, analyzing marketing and property trends, managing client engagement...

"A lot of people ask me why I am in real estate?" Jonathan says the answer is simple, "Aside from my faith and family there are 3 things that get me up in the morning. I love meeting and helping people, I value our shared community, and I am passionate about property. This is the perfect industry for me!"

The last decade has seen Jonathan progress from a business consultant within the real estate and business broking industry to the WA /NT State Manager of First National Real Estate, Australia's largest group of independent real estate agents.
